Mission Statement

The San Luis Obispo County Commission on the Status of Women is an official advisory body to the San Luis Obispo County Board of Supervisors. We are an advocate for equal rights and for the agencies and programs that support the health, socioeconomic, and professional well being of women in our community.

The Commission enhances the quality of women's lives by identifying key issues that face women in SLO County and by recommending solutions for those issues. It facilitates action by sponsoring projects and by serving as the coordinating body for the various community organizations that are dedicated to women. The Commission's goal is to increase collaborative efforts among groups to influence public policy.
